

“(i) promulgate standards of performance for a management practice under subparagraph (A) not later than 1 year after the date of a determination under paragraph (2) that the management practice is reasonable and practicable; and

“(ii) every 5 years thereafter—

“(I) review the standards; and

“(II) if necessary, revise the standards, in accordance with subparagraph (B) and based on any new information available to the Administrator.

“(4) REGULATIONS FOR THE USE OF MANAGEMENT PRACTICES.—

“(A) IN GENERAL.—The Secretary of the department in which the Coast Guard is operating shall promulgate such regulations governing the design, construction, installation, and use of management practices for recreational vessels as are necessary to meet the standards of performance promulgated under paragraph (3).

“(B) REGULATIONS.—

“(i) IN GENERAL.—The Secretary shall promulgate the regulations under this paragraph as soon as practicable after the Administrator promulgates standards with respect to the practice under paragraph (3), but not later than 1 year after the date on which the Administrator promulgates the standards.

“(ii) EFFECTIVE DATE.—The regulations promulgated by the Secretary under this paragraph shall be effective upon promulgation unless another effective date is specified in the regulations.

“(iii) CONSIDERATION OF TIME.—In determining the effective date of a regulation promulgated under this paragraph, the Secretary shall consider the period of time necessary to communicate the existence of the regulation to persons affected by the regulation.

“(5) EFFECT OF OTHER LAWS.—This subsection shall not affect the application of section 311 to discharges incidental to the normal operation of a recreational vessel.

“(6) PROHIBITION RELATING TO RECREATIONAL VESSELS.—After the effective date of the regulations promulgated by the Secretary of the department in which the Coast Guard is operating under paragraph (4), the owner or operator of a recreational vessel shall neither operate in nor discharge any discharge incidental to the normal operation of the vessel into, the waters of the United States or the waters of the contiguous zone, if the owner or operator of the vessel is not using any applicable management practice meeting standards established under this subsection.”.

S. 3298

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DEFINITIONS.

In this Act:

(1) ADMINISTRATOR.—The term “Administrator” means the Administrator of the Environmental Protection Agency.

(2) COVERED VESSEL.—The term “covered vessel” means a vessel that is—

(A) less than 79 feet in length; or

(B) a fishing vessel (as defined in section 2101 of title 46, United States Code), regardless of the length of the vessel.

(3) OTHER TERMS.—The terms “contiguous zone”, “discharge”, “ocean”, and “State” have the meanings given the terms in section 502 of the Federal Water Pollution Control Act (33 U.S.C. 1362).

SEC. 2. DISCHARGES INCIDENTAL TO NORMAL OPERATION OF VESSELS.

(a) NO PERMIT REQUIREMENT.—Except as provided in subsection (b), during the 2-year period beginning on the date of enactment of this Act, the Administrator, or a State in

the case of a permit program approved under section 402 of the Federal Water Pollution Control Act (33 U.S.C. 1342), shall not require a permit under that section for a covered vessel for—

(1) any discharge of effluent from properly functioning marine engines;

(2) any discharge of laundry, shower, and galley sink wastes; or

(3) any other discharge incidental to the normal operation of a covered vessel.

(b) EXCEPTIONS.—Subsection (a) shall not apply with respect to—

(1) rubbish, trash, garbage, or other such materials discharged overboard;

(2) other discharges when the vessel is operating in a capacity other than as a means of transportation, such as when—

(A) used as an energy or mining facility;

(B) used as a storage facility or a seafood processing facility;

(C) secured to a storage facility or a seafood processing facility; or

(D) secured to the bed of the ocean, the contiguous zone, or waters of the United States for the purpose of mineral or oil exploration or development;

(3) any discharge of ballast water; or

(4) any discharge in a case in which the Administrator or State, as appropriate, determines that the discharge—

(A) contributes to a violation of a water quality standard; or

(B) poses an unacceptable risk to human health or the environment.

SEC. 3. STUDY OF DISCHARGES INCIDENTAL TO NORMAL OPERATION OF VESSELS.

(a) IN GENERAL.—The Administrator, in consultation with the Secretary of the department in which the Coast Guard is operating and the heads of other interested Federal agencies, shall conduct a study to evaluate the impacts of—

(1) any discharge of effluent from properly functioning marine engines;

(2) any discharge of laundry, shower, and galley sink wastes; and

(3) any other discharge incidental to the normal operation of a vessel.

(b) SCOPE OF STUDY.—The study under subsection (a) shall include—

(1) characterizations of the nature, type, and composition of discharges for—

(A) representative single vessels; and

(B) each class of vessels;

(2) determinations of the volumes of those discharges, including average volumes, for—

(A) representative single vessels; and

(B) each class of vessels;

(3) a description of the locations, including the more common locations, of the discharges;

(4) analyses and findings as to the nature and extent of the potential effects of the discharges, including determinations of whether the discharges pose a risk to human health, welfare, or the environment, and the nature of those risks;

(5) determinations of the benefits to human health, welfare, and the environment from reducing, eliminating, controlling, or mitigating the discharges; and

(6) analyses of the extent to which the discharges are currently subject to regulation under Federal law or a binding international obligation of the United States.

(c) EXCLUSION.—In carrying out the study under subsection (a), the Administrator shall exclude—

(1) discharges from a vessel of the Armed Forces (as defined in section 312(a) of the Federal Water Pollution Control Act (33 U.S.C. 1322(a)));

(2) discharges of sewage (as defined in section 312(a) of the Federal Water Pollution Control Act (33 U.S.C. 1322(a))) from a vessel, other than the discharge of graywater from a vessel operating on the Great Lakes; and

(3) discharges of ballast water.

(d) PUBLIC COMMENT; REPORT.—The Administrator shall—

(1) publish in the Federal Register for public comment a draft of the study required under subsection (a);

(2) after taking into account any comments received during the public comment period, develop a final report with respect to the study; and

(3) not later than 15 months after the date of enactment of this Act, submit the final report to—

(A) the Committee on Transportation and Infrastructure of the House of Representatives; and

(B) the Committees on Environment and Public Works and Commerce, Science, and Transportation of the Senate.

RECOGNITION OF THE MINORITY LEADER

The ACTING PRESIDENT pro tempore. The Republican leader is recognized.

UNANIMOUS-CONSENT AGREEMENT—S. 3268

Mr. MCCONNELL. Mr. President, in connection with debate on the motion to proceed, I ask unanimous consent that the time allocated to my side before the vote be equally divided between Senator DOMENICI and Senator CORNYN.

The ACTING PRESIDENT pro tempore. Without objection, it is so ordered.

A SERIOUS SOLUTION

Mr. MCCONNELL. Mr. President, today the Senate will continue debate on the No. 1 domestic issue facing the Nation, but it now seems clear that the majority is not interested in a full and open debate, is not interested in good ideas from all sides, and is designing floor debate that is designed to fail. That is simply unacceptable. I was disturbed to read this morning that our friends on the other side are considering only a brief and limited consideration of this bill. It is troubling that at a time of \$4.06-a-gallon gas, the Senate would treat the issue as if it is some technical corrections bill. Let me assure my friends it is not.

Let's be absolutely clear, Republicans will not accept a perfunctory approach to the problem. We are not content with a check-the-box exercise. More important, the American people will not accept a timid approach to such a major problem. This is the biggest issue in the country by far. The only thing I can recall in recent years that rivals it was terrorism right after 9/11. The Republican conference is interested in a solution. We are not interested in holding a pair of votes so that we can go home with political cover to blame the other side for our collective lack of accomplishment.

Let's be clear, speculation-only legislation is a very little piece to a massive problem. Americans are facing
